EMERGENCY APPEAL OF
DENIAL OF WRIT OF
HABEAS CORPUS

ON April 2, 2008, Judge Ruben Castillo, formally denied Plaintiff's ~~petition~~ petition for a writ of Habeas Corpus, in the U.S. District Court, Northern Illinois, case #07C6679. This letter is a formal appeal of said ~~decision by honorable Judge Castillo.~~

CASE #07C6679 is based on the Village of Bensenville using the color of law to deny basic constitutional rights to this pro-se Plaintiff. State of Illinois, County of DuPage case #2005CM6830 was one of the nine listed cases in #07C6679.

(next page)

Appeal Page 2

A fair trial in 2005CM6830 was denied to this pro-se Plaintiff as retribution for actions in #07C6679 and further punishment and injury was inflicted on Plaintiff by a punitive state court Judge. That state court Judge on a mistrial conviction revoked Plaintiff \$100.00 bond and has placed Plaintiff in to custody until at least April 22, 2008 from March 15, 2008. This was Plaintiff's 7th conviction ever. This and other errors listed in attached letter dated 27th March, 2008 raises questions of Fairness and retaliation in 2005CM6830 because of 07C6679.

The District Court erred by denying Plaintiff's petition without even a hearing. Plaintiff respectfully request this appeals court to protect its process and integrity in 07C6679 and direct the district court to conduct a full hearing in this matter.

Gentlemen,

RE:07-CV-6679

I am currently incarcerated in the DuPage County Jail, Wheaton, I Illinois.

On February 27, 2008 in response to a motion to dismiss from the County of DuPage, Judge Castillo granted said motion for both the Village of Bensenville and County of DuPage, I believe. Honorable Judge Castillo granted Plaintiff 30 days to file an amended complaint. An edited one count amended complaint should have been filed on March 28, 2008. 07CV6679 is based on use of the color of law to suppress constitutional protected activity by the Village of Bensenville. In 2005-2006 the Village of Bensenville has brought 9 separate criminal charges against this pro-se Plaintiff.

On March 10, 2008 a jury trial was started for DuPage case #2005CM 6830. A verdict against this pro-se defendant was entered on 15th March, 2008, and his \$100 bond was revoked. William Vazquez was placed in to custody until sentencing on April 22, 2008. William Vazquez has NO previous criminal convictions. This trial was not fair since the prosecution witnesses were allowed to discuss their testimony, in direct violation of that court's instructions since witnesses were excluded.

When William Vazquez was leaving court on March 11th he found and heard all three prosecution witnesses discussing their testimony this that case while in the court room hall way.

On March 12 2 of the Three witnesses were questioned by the judge and denied even being in close proximity to each other. Mr. Vazquez requested a review of video from said court room hall way to refute at least part of their testimony. The judge denied that request and denied a mistrial request by its own motion. This together with a host of cumulative errors - such as denial of Change of venue, denial of change of JUDGE; a hearing on disparity impact but denial of discovery for said hearing; and finally Mr. Vazquez Being arrested in the court room on charges which later were dismissed in a directed verdict, that arrest was in the presence of the current trial judge - all of these listed errors and others not listed amounted to denial of a fair trial to pro-se Mr Vazquez.

For the reasons listed above Mr. Vazquez filed a petition for

Habeous Corpus with Judge Castillo on or about 17 March, 2008.
The status of which is unknow.

Gentlemen I believe the Settlement Conference set for 4/4/2008
should be stricken. I need your help in the situation I am
currentily in. Again the Village of Bensenville is using the
color of law to stop constitutionally protected activity.

My pray is that someone review that video and see at least the
witnesses lied to that court aboutnot being in close proxsimity.
